

What is "Kodansha Kodomo Kyoshitsu"『講談社こども教室』?

In the "Kodansha Kodomo Kyoshitsu" we are presently operating the following private schools for 0 to 12 years old children. The lessons in these schools are performed with our original unique materials and curriculums. There are three courses in our schools. One is providing Japanese intellectual education for 1 to 5 years old children, and the second one is providing Japanese language and Math class for elementary school children. And the third one is providing the beginners to intermediate classes of English conversation, reading and writing for 0-12 years old children. (Depending on the school, the opening courses are different.) We have been around for some 35 years in the education market in Japan. And over 7,000 children are presently enrolled in our schools.
